### CHILD CARE ASSISTANCE

The Aitkin County Health & Human Services has child care funding for children age 12 and under (or 14 if disabled), on a sliding-fee scale basis. People looking for work, going to school or training programs, or working could get this funding.

Proof of income, schooling, job search, or that you are working is needed to decide if you can get this funding. To be able to get this funding, your income must be below State guidelines.

A part of the child care costs may be claimed as a credit while doing your income taxes. People can find out more about this from their IRS office.

To find out more about this funding and/or to apply, contact Bobbi Rosecrans at the Aitkin County Health & Human Services or call 218-927-7200.

Parents looking for child care, call Arrowhead Child Care Resource and Referral, toll free 1-800-450-0450.

Aitkin County is currently recruiting new homes. If interested call Deb Jensen at 218-927-7200 or 1-800-328-3744 (in county only).
